Listening to music for relaxation and stress relief

ABOUT ME

- ❖ I am a creative and detail-oriented digital creator with strong skills in Microsoft Office, Adobe Photoshop, Filmora, and Blender. With hands-on experience in designing documents, graphics, and videos, I have successfully completed multiple projects over the past year. I enjoy bringing ideas to life through visuals and organized content.

EDUCATION

- ❖ **Intermediate (ICS) — In Progress**
Punjab College, Bahria Town, Lahore
2023 – 2025 (Currently in 2nd Year)
- ❖ **Matriculation (Computer Science)**
[LAHORE ENGLISH HIGH SCHOOL], [RANA TOWN]
Passed in 2023

EXPERIENCE

- ❖ **Freelance Digital Content Creator**
Self-employed / Online Projects
- ❖ **Microsoft Office:** Created professional documents, spreadsheets, and presentations for academic and personal projects using MS Word, Excel, and PowerPoint.
- ❖ **Adobe Photoshop:** Designed eye-catching social media posts, YouTube thumbnails, and posters with a strong focus on creativity and detail.
- ❖ **Filmora:** Edited YouTube videos, vlogs, and short reels with smooth transitions, titles, effects, and background music.
- ❖ **Blender:** Developed basic 3D models, text animations, and simple scenes for video intros and visual experiments.

LEARNING

- ❖ Currently learning Adobe After Effects and Premiere Pro to enhance my skills in video editing and motion graphics.
